

Nominations for the 20th Annual Peacemaker Awards

The Peacemaker Awards, presented by the Franklin County Interfaith Council and Traprock Center for Peace and Justice, recognize youth in Franklin County engaged in projects making positive contributions toward justice and peace within their communities and in the wider world. The awards will be presented at a ceremony on May 21 at GCC.

We invite members of the community, especially those who work with teens, to identify youth to be recognized for the initiatives they have taken to make a positive impact within their communities or beyond. Nominees may be from Grade 8 – 12 or comparable age if not in school.

A nomination form is attached. Response should be limited to one page and submitted by April 10, 2020. A committee will review all nominations, and decisions will be made by April 20th. We encourage the submission of nominations that reach out to youth who are not usually recognized.

Please circulate the flyer and nomination form so that no deserving youth is overlooked.
